ONE YOU PLYMOUTH

Are you looking for ways to change your life to be healthier and happier? We're here to help!

You can make small changes that will have a huge impact on your life with the help of our full team of NHS professionals. As you transition into a healthier lifestyle, we will provide you with ongoing support, tools, and encouragement every step of the way, therefore benefiting you as well as your family and friends.

Making healthier choices today could lead to a better quality of life and even prevent diseases like type 2 diabetes, cancer, and heart disease. Your risk of stroke, dementia, disability, or frailty in later years will also be reduced.

Additionally, we provide workplace health with [Wellbeing at Work](#) and [Breastfeeding Support](#) in Plymouth.

Working together with the NHS to improve your health, One You Plymouth are providing free NHS Health checks to individuals between the ages of 40 and 74 living in Plymouth. If you are eligible and haven't had a health check in the past 5 years, we run Health Check clinics in various locations across Plymouth.

It's never been easier to get checked, book your health check with us today. [Book Here](#)

MAR 2024

VETERANS AND
FAMILY HUB

☎ 01752 241057 ✉ VFHub@improvinglivesplymouth.org.uk

Saturday 29th June 2024

We are counting down to Armed Forces Day 2024

Come along and show your support!

Plymouth Armed Forces Day, in association with Babcock, will return on Saturday 29 June 2024, on Plymouth Hoe.

Armed Forces Day is a fantastic opportunity for everyone to come along and show their support for the men and women who make up the Armed Forces community from currently serving troops to reservists, veterans, cadets and their families.

This exciting family day is packed with displays, parades, military equipment to explore, a thrilling arena programme, live music and much more.

We need your support !

We have already applied for our stand at Armed Forces Day and are looking for a team of volunteers to support us on the day. This could be a shift on our stand, talking to the public about the support available through the hub, or bringing us cakes to keep us going! Please let the hub know if you would be able to help vfhub@improvinglivesplymouth.org.uk

Armed Forces Flag Raising Ceremony

The Armed Forces Flag will be raised outside the Plymouth Guildhall on Monday 24 June 2024, at 10am at a formal ceremony, marking the start of Armed Forces Week. The flag will fly in Plymouth all week in celebration of our military personnel, past and present.

Universal Credit - Managed Migration

What is Universal Credit?

Universal Credit (UC) is a means-tested benefit that has been introduced to gradually replace the following benefits: • Working Tax Credits • Child Tax Credits • Housing Benefit • Income Support • Income-based Job Seekers Allowance • Income-related Employment and Support Allowance The DWP will notify everyone who is claiming these old benefits that they will need to make a claim for Universal Credit. This process is called managed migration

What is managed Migration?

Managed migration is what happens if the Department for Work and Pensions (DWP) tells you that your current benefits will stop soon and you need to apply for Universal Credit (UC) instead. The DWP will send you a letter telling you to apply for Universal Credit within 3 months. This letter is called a migration notice. This will happen gradually so you might be told to move to UC at different times from people you know, depending on where you live and which benefits you are claiming. Managed migration is already happening across the country. It will happen in Devon and Cornwall from January 2024, starting with people who are claiming Working Tax Credits and/or Child Tax Credits.

Do I have to move to Universal Credit?

The DWP are planning to phase out the old benefits system by 2029. People on Working Tax Credits and Child Tax Credits will be notified first. The DWP will then gradually inform people claiming other old benefits when it is time for them to move to Universal Credit. You can stay on your current benefits for now, unless: • you get a letter from the DWP telling you to claim Universal Credit by a certain date. • your situation changes in certain ways - for example, separating from a partner or moving to a different council area may trigger the move to UC. You can choose to move to Universal Credit at any time. However, if you apply before you receive the letter from DWP, you will not be eligible for transitional protection

For more information please [click here](#)

Or phone Citizens Advice Help to Claim Team on 0800 144 8 444

Save the date.....

This summer, The Royal Navy will be hosting an adaptive triathlon event open to all serving tri-service personnel in recovery (Injured or illness), and medically discharged veterans. The Rehabilitation Triathlon 2024 will once again be delivered in association with Plymouth City Council, sponsored by TRMC/RMA and AECOM, and hosted on the historic Plymouth Hoe on **Thursday 27 June 24.**

It is expected that 200 participants from the UK Tri-Services and Veterans will attend this event, along with International teams from the United States Marine Corps' and Royal Netherlands Marine Corps

The event will have full and sprint distances with participants competing in 6 different categories dependent upon the nature of injury and their physical ability. A team relay (2/3 competitors) event is also available over the full distance.

Sprint Distance:

- Pool Swim - 200 metres
- Bike - 6.6 km
- Row - 2.5 km

Full Distance:

- Pool Swim - 400 metres
- Bike - 13.2 km
- Row - 5 km

Sign Up - The Eventbrite page is live, please apply for free [here](#)

Plymouth's Dental Taskforce working towards three key priorities.

Plymouth's Dental Taskforce has agreed the three key priorities that it will collectively work towards to improve NHS dental provision for local residents.

The taskforce was created last year in response to the city's growing dental crisis, which has seen over 22,000 Plymouth residents join the waiting list for an NHS dentist.

The cross-party group includes representatives from Plymouth City Council, NHS Devon, Peninsula Dental Social Enterprise (PDSE), Livewell Southwest and University Hospitals Plymouth NHS Trust as well as the city's three MPs.

The taskforce has agreed to focus on three key priorities:

- Deliver a new dental facility in the city centre run by the Peninsula Dental School which is aligned to the oral health needs in the city.
- Provide additional funding to Plymouth City Council to enable it to enhance the oral health improvement offer available in the city, to help prevent dental health issues.
- Use some of Plymouth's annual NHS dental underspend to commission new services for high priority groups and those who don't have access to an NHS dentist.

Since June 2023 the taskforce has been working to deliver improvements, such as a new scheme by PDSE to provide NHS dental appointments to primary school children. It will now focus on campaigning for and delivering these three priorities.

Councillor Mary Aspinall, Cabinet Member for Health and Adult Social Care and Chair of the Taskforce said: "There is still a huge amount of work to be done in Plymouth and so we will keep campaigning for better outcomes for our residents. At the moment the situation is only getting worse. There are thousands of people still waiting for an NHS dentist and we believe this is just the tip of the iceberg, because it doesn't capture the number of people who don't have an NHS dentist but haven't joined the waiting list, or who have simply given up and had to pay private dental fees.

"We will be focusing on our three key priorities over the coming months and particularly hope that we can utilise the local dental underspend for the benefit of local residents that are most desperately in need of dental care. For more information [click here](#)

**ARE YOU UK EX-SERVICE
PERSONNEL?
PARTICIPANTS NEEDED**

Are you above 18?

Did you serve in the UK Armed Forces for at least 2 years?

Then this could be the study for you!

We want to hear about *your* experience of leaving the military and transitioning to civilian life. You can help us develop our understanding of transition experiences and potentially inform services how to better support veterans throughout their transition to civilian life.

What's involved?

You will be asked to complete an online survey estimated to last 70 minutes where you will write responses to four questions, related to how transitioning from the military to civilian life has been for you. Questions will explore the impact transitioning has on relationships, mental health, etc. You will also be asked to answer some short demographic questions about yourself.

Contact us!

To participate or if you have any questions, contact us at:
veterwrite@kcl.ac.uk

This study is being run by King's Centre for Military Health Research (King's College London). The PI's are Alexandria Smith and Rafiyah Khan. Ethical clearance has been granted by King's College Research Ethics Committee (Ref: MRSU-23/24-40002).
