This term, we would like you to complete as many of the tasks in this grid as you can. Take **ownership** of the tasks you complete, perhaps you will take a **risk** and at times you may need to **persevere**. Some of the tasks can be completed **independently** and others require you to work with family / friends. Underneath each task you can write the date completed and perhaps add details such as what, who and where. During the week beginning 15/10/18, we would like you to bring this sheet back in to school to **reflect** on the tasks completed as you talk to your peers. Please remember to ask an adult to sign below. We hope that you rise to the **challenge** and more importantly that you have fun!
