

Goosewell Academy Knowledge Organiser

Reception Term 3 – Spring and new beginnings

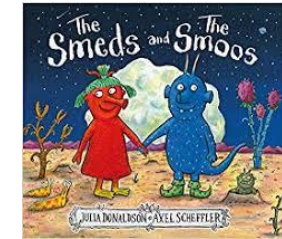

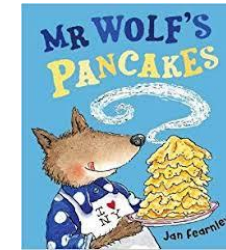

Numeracy:

We will be taking our learning so far a step further by applying our skills to solve problems, estimate and investigate in a range of contexts. The children will be given opportunity to select resources to support them in their exploration. We will move on from our consolidation of numbers to 10 and introduce the teens.

Key vocabulary we will be learning:

| | |
|----------------------------|---------------------------------|
| Spring | Bud |
| Seed | Blossom |
| Develop | Shoot, stem, root, flower, leaf |
| Grow | Soil, sun, air, water |
| Change | Baby animal names |
| Today, yesterday, tomorrow | |

Texts we will be sharing:

and a range of non-fiction books about growth and change.

Learning phonics with Read Write Inc. :

We will be consolidating the following groups of sounds :

m a s d t , i n p g o , c k u b , f e l h sh , ck r j v y w , th z ch q u
x ng/nk.

As we grow in confidence, we will be learning to recognise more 'special friends' in our reading e.g. ow, ay , ar , ee , oo etc.
