

Ideas for Year 5 Home Learning – Term 2

Reading / Spelling

- Read your Accelerated Reader book and take the quiz.
 - Learn the definition of 5 words that you come across in your reading book but did not understand.
 - Read the Knowledge Organiser for our current topic – available via the website.
- Spelling – the weekly spellings will still be set via Microsoft Teams for you to learn using a strategy of your choice.

General Writing Ideas

- Handwriting – write out sections from your favourite book, a poem, song or the newspaper in neatly, joined cursive handwriting.
- Write a book, film or TV show review.
- Write a diary of your time at home.
- Write a story about a theme of your choice.

Writing Ideas linked to our 'Stargazers' topic

- Write a science fiction story using the generic text structure of our model text 'The Jamie Drake Equation'. (This is what we will be working towards in the first 3 weeks of term).
- Write a non-chronological report about a planet of your choice.
- Create your own imaginary planet and write a non-chronological report about it. (This is what we will be working towards in the final 3 weeks of term).
- Write a poem, in a style of your choice, which links to space and the planets.
- Write a script for a news broadcast between a news reader in a studio and an astronaut who has landed on the moon or a planet of your choice.

Maths

- Times Table Rockstars.
- MyMaths – each child has their own unique username and password.

Topic

- Complete activities suggested on the Home Learning ideas for Stargazers.
- Go star gazing.
