

What will you choose to do?

- Make a cityscape artwork and take it to school to share with the class.
- Spot and talk about different types of vehicles while you are out and about with your family.
- Create a 2-D city shape picture. Can you label the shape names? What are the properties of the shapes in your picture?
- Search the web with an adult to find images of different cities in the world. Create a scrapbook of your favourite cities and include pictures, labels and captions. Can you find and record a short fact about each city?
- Visit a city near you with an adult. Look out for interesting buildings that are different sizes and shapes. Make a list of the sights, sounds and smells that you discover. You could even draw a simple map of your journey.
- Take your teddy on a visit to a city near you. Write a simple diary entry about your teddy's day out, including what he or she saw and felt. Illustrate teddy's diary.
- Make a mini book of your city visit, showing the transport and buildings you saw. Label the pictures.
- Create and label a picture or map of a fantasy city. What type of buildings would be in your city and what would they look like? What transport would people use in this city?
- Build a real or fantasy city using Lego, blocks or 3-D junk material from home. Play with your city using figures and vehicles.
- Draw a map of a city and direct a toy car or figure using words such as forwards, backwards, straight ahead, left, right, up, down, under and over. You can use numbers too if you like.
- Visit your local library with an adult and search for non-fiction, fiction or poetry books about cities. Read and enjoy them with an adult or your class.
- Create a city song to the tune of *The Wheels on the Bus*. Your song should start with, 'I went to the city, and I saw...'
