April 2018

Dear Mr Stephens

Please find below the list of opportunities that the Plymouth School Sports Partnership have provided over the past half-term. This information has been provided in order for you to make the most of these opportunities for the children at your school and to get the best value for your subscription into the Partnership. For further details of all of the opportunities that we provide for your school, please visit our website where you can access the events calendar and our 'Core Offer' and 'Menu of Opportunities' which outline the range of equipment and resources on offer.

OFSTED

From 1st September 2013, OFSTED have been assessing and reporting on how effectively the Primary School PE and School Sport Funding is being used to improve PE and sport provision when making the judgement on the quality of the school's leadership and management. Inspectors will use evidence gained from meetings with school leaders to assess the impact of additional funding on improving the quality and breadth of PE and sport provision. To assist you with this requirement, we have annotated this Reporting Letter with evidence of effective use of PE and sport funding taken from the OFSTED document issued in September 2013 "[Inspecting primary school PE and school sport: new funding](#)"
