Collecting Information

Whilst the majority of information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the General Data Protection Regulation, we will inform you whether you are required to provide certain information to us or if you have a choice in this.

The Early Years Foundation Stage (Welfare Requirements) regulations 2012 place a legal obligation upon us to collect and process much of the information detailed above. Therefore, we do not require your consent to collect this information as we have fair and lawful reason for doing so.

All forms collecting data will clearly state our lawful basis for processing the information you supply and where the request is voluntary, or consent is required this will be clearly stated.

Storing Data

We ensure that access to children's files is restricted to those authorised to see them. These confidential records are stored securely at the Gosling Trust.

We retain children's records for 2 years after they have left the setting, except records that relate to an accident or child protection matter. These are kept until the child reaches the age of 21 years or 24 years respectively.

Sharing Information

The information that you provide to us, whether mandatory or voluntary, will be regarded as confidential. We do not share information about your child with anyone without consent unless the law and our policies allow us to do so.

Our local authority for the purposes of Early Education Entitlement for 2, 3 and 4 year olds and the Early Years Census
- The Department for Education (DfE) as part of statutory data collections

Requesting Access to Your Personal Data

Under data protection legislation, parents/guardians, children and young people have the right to request access to information about them that we hold. Where a child is too young to give 'informed consent' the parent is the 'subject' of the file and has a right to see the information held.

Children's developmental records are shared regularly with parents/guardians and formal request to access these is not required.

To make a request for your personal information, contact Tracey Maitland in writing.
