

## Year Group News

### Foundation Stage

We'd just like to say what a fabulous year we've had with your children. In a year of many changes we've been incredibly impressed with the children's resilience and learning across the curriculum. They've come such a long way and we are proud of them all. Thank you parents for your support and we all wish you a sun filled, action packed, yet restful Summer break. We will miss them all and know that they are now ready for their next classes and the exciting curriculum of Year 1. Good luck and best wishes. The Foundation Stage Team

### Year 1

We would like to express how proud we are of all the Year 1 children when we see just how far they have all come since September. All our pupils have enjoyed our various topics such as Great Fire of London, Explorers and Africa, and taking part in activities such as making our own healthy fruit kebab and visiting Paignton zoo. We wish all our Year 1 children the very best in Year 2 and hope that they continue to be the resilient, risk-taking and independent learners they are shaping up to be!

### Year 2

May we congratulate all your fabulous children for a wonderful year in Year 2. They have been a pleasure to teach and we have all enjoyed watching their confidence and characters develop and grow. During the last 3 days the children will be meeting their new teachers, reminiscing on their highlights of Year 2 and thinking of their next challenges in Year 3. We wish you a wonderful Summer full of fun, sun and happy memories.

### Year 3

We have really enjoyed our final transition to Y4 and look forward to meeting our new teachers in Sept. Thank you to all the parents and carers who have supported us throughout the year. Have a wonderful summer. Many thanks. Y3 teachers.

### Year 4

We would like to take this opportunity to thank you for all your support over the past year, particularly with the London models, which were amazing, and the London trip. It has been a pleasure working with your children this year and they have impressed us on many occasions. (Ask them to read you their London Eye Mystery stories.) We wish them the very best next year with their new teachers who they will be meeting again on Tuesday.

### Year 5

Year 5's primary journey is now entering the home straight! With Year 6 beckoning, all that's left to say is we wish all the children in Year 5 the best of luck in their final year at Goosewell! The children have worked extremely hard all year and the quality is a credit to them. We hope you all have a restful and enjoyable summer holiday. Year 5 team.

### Year 6

We would like to take this opportunity to say a huge thank-you and good luck to all of Year 6 who will be leaving Goosewell next week. The children have worked very hard this year and we were thrilled with their results and the show performances last week. Next week, we will be saying goodbye and discussing the changes that occur as we grow up. We will also be completing and racing our motorised cars. Have a wonderful summer!

All children are invited to come to school in mufti for the last day of term tomorrow, in exchange for £1 for school funds. Children will also be able to enjoy a picnic lunch on the field for the last day of term - picnic lunch boxes will be in place of hot dinners for tomorrow only and will be selected in classes in the morning; children may still bring a home packed lunch if preferred. Please ensure that your child has a sunhat, a drink and is wearing suncream as it will be hot! Happy end of term!

## Pastures New for Year 6

Two weeks ago, Year 6 presented Grease to the school and to their families. Even during their final few weeks at Goosewell, the children entertained and amazed us and made us feel proud of their wonderful talents and personalities. They leave us this week to move on to their secondary schools and we wish them well for their future. All the best and thank you to...

## Plymouth Schoolboys Trials

We would like to thank and congratulate Year 5's Finn, Ashdon, Sammy, Frankie and Tom for being chosen to represent the school in the recent Plymouth Schools FA trials. The coaches would like to pass on their congratulations for the impeccable behaviour and application of all the children involved, they were all an absolute credit to Goosewell Academy. Well done boys. The coaches fed back to us that; 'The standard was very high, leaving the coaches with a very difficult task of narrowing the field down. With such a high number of triallists it is an extremely tough task, but one we believe is done both professionally and fairly.' Goosewell is proud to announce that both Sammy and Frankie have been selected for the final squad, a tremendous achievement. Thank you boys for being so enthusiastic and for organising me over the last few weeks. It was just lovely to share your experiences and news each week. Thank you also to your parents for travelling to Marjons for the trials and for your support on this exciting new journey. I know Luke in year 6 has had a most exciting and successful year and we wish you both good luck and happy footballing for the year ahead. **Mrs Boalch**

### Your PTA Committee

#### Your PTA needs you!!

On the 18<sup>th</sup> September 2019 we will be holding our annual AGM Meeting. Sarah Woodward our current Chair will not be seeking re-election therefore we are looking to find a replacement.

If you want to make a difference in your child's school and you are interested in this role please contact us via email on [pta@goosewellplymouthsch.uk](mailto:pta@goosewellplymouthsch.uk) for further details.

Please take serious consideration into this role as without a Chair the PTA will no longer run. The benefits that the PTA offer the school and children are so valuable and would be sadly missed by all.

The PTA run many events throughout the school year with the aim of raising funds to supply items to the school and to aid the pupils learning.

The main committee organise these event and run them with the assistance from school staff and other parent volunteers.
